Public Art League

The Public Art League is pleased to provide this guide to identifying and interpreting sculptures in Champaign-Urbana.

Sculptures occupy space. As a result, light, shadow, texture, materials, context, and season are just a few of the elements that influence our experience.

To understand a sculpture, consider the following questions:

Does the sculpture have a theme or subject? What does it represent?

What kind of beliefs do you imagine the artist had in mind when creating the sculpture and how are these expressed?

Does the sculpture have a strong presentation from a particular side or angle? How do sunlight and shadows interact with the sculpture?

And lastly, how does the sculpture make you feel? What kind of emotions does it evoke?
